2nd	10,000
3rd	7,000

Hon. Mentions
7,000/=
KES

“Never curse the rain”
goes the old saying. Karura is blessed
with good rainfall increasing year by
year since the 1980s. As you visit the
forest during sunny spells, grab your
camera or smartphone and show the
world in your own way the flourishing
biodiversity and thriving flora and
fauna that create the magic of the
People’s Forest after the rain

**DEADLINE EXTENDED
TO 31 AUGUST**

Karura River Valley
Fire Lilies emerging after rain

SEND entries (3 max per person, include camera data) to
